Understanding your bill

Basic service charge (Electric): Charge for basic system infrastructure and customer-related services, including customer accounting, and metering services. A billing and payment processing charge of \$1.28, which may be avoided by switching to an energy services company (ESCO), is also included.

Billing charges: These charges are for the electricity you need (supply) and getting the electricity to you (delivery). Rates are based on a 30 day period. When your billing period is more or less than 30 days, we prorate your bill accordingly.

Delivery: Charge for maintaining the system through which Con Edison delivers electricity to you.

Electricity Supply: Charge for the electricity supplied to you by Con Edison.

GRT & other tax surcharges: Taxes on Con Edison gross receipts from sales of utility services and other tax surcharges.

Merchant Function Charge (Electric): Charge associated with procuring electricity, credit and collection related activities and uncollectible accounts.

Sales tax: Tax collected on behalf of New York City.

System Benefit Charge (Electric): The System Benefits Charge recovers costs associated with clean energy activities conducted by the New York State Energy Research and Development Authority (NYSERDA) and energy efficiency programs implemented by the Company.
